If That's Ok With You

Shayne Ward

If that?s ok with you
I love the way that you look without your make up
I had a girl before we met but we broke up
There?s something 'bout you that make me wanna step up
Step up and be with you, if that?s ok with you
We?ll keep the neighbors awake too late, too late
'Cuz I?m gonna make you feel so good
That?s how I see it happening
Yeah, we?ll keep the neighbors awake too late, too late
'Cuz baby, I wanna step up and be with you
If that?s ok with you
I?m gonna make you feel like you are heaven on earth
I?m gonna saint your mother just for giving you birth
I?m gonna wanna hold you in my arms when you cry
If that?s ok with you, if that?s ok with you
I wanna keep your toothbrush at my apartment
Make a second set of keys and ask you to move in
I?m not crazy, I know what I?m getting myself in
I wanna live with you, if that?s ok with you
I?m gonna make you feel like you are heaven on earth
I?m gonna saint your mother just for giving you birth
I?m gonna wanna hold you in my arms when you cry
If that?s ok with you, if that?s ok with you
I?m gonna make you feel like you are heaven on earth
I?m gonna saint your mother just for giving you birth
I?m gonna wanna hold you in my arms when you cry
If that?s ok with you, if that?s ok with you
If that?s ok with you, if that?s ok with you
We?ll keep the neighbors awake too late, too late
I wanna love you this way, that way, this way
We?ll keep the neighbors awake too late, too late
I wanna love you this way, that way, this way
I?m gonna make you feel like you are heaven on earth
I?m gonna saint your mother just for giving you birth
I?m gonna wanna hold you in my arms when you cry
If that?s ok with you, if that?s ok with you
I?m gonna make you feel like you are heaven on earth
I?m gonna saint your mother just for giving you birth
I?m gonna wanna hold you in my arms when you cry

If that?s ok with you, if that?s ok with you
If that?s ok with you, if that?s ok with you
If that?s ok with you, if that?s ok with you
If that?s ok with you
