Wedding Daze

Daniel Wilson

I could feel your satisfaction from a mile away.
On the coldest afternoon on the wildest day.
And all I ever wanted was a simple, safest place, to run-away.In a field of roses, tulips and a daffodil.
My cup runneth over with love, what a nasty spill.
And did I make a deal with the devil so I could heal? Is this real?I'm getting married Mama, it's the last thing I'll do. I do.
(We gave you everything, we gave it all to you.)
I'm getting married Mama, it's the last thing I'll do. I do.
(We gave you everything, we gave it all to you.)
I'm glad, it's funny, all smiles, I'm sunny, it's a wedding daze.
I'm glad, I'm funny, all smiles, I'm sunny, it's a wedding daze.So I met the devil there in a college park.
The dogs were awfully loud that day and it was getting dark.
They could smell the rimming brimstone from a mile away.
It felt good. And I felt safe.I'm getting married Mama, it's the last thing I'll do. I do.
(We gave you everything, we gave it all to you.)
I'm getting married Mama, it's the last thing I'll do. I do.
(We gave you everything, we gave it all to you.)I'm glad, it's funny, all smiles, I'm sunny, it's a wedding daze.(We gave you everything, we gave it all to you.)I'm glad, it's funny, all smiles, I'm sunny, it's a wedding daze.
I've got the tuxes ready.
Go get the flower girl.
Prepare the table proper.
We're gonna shake the world.
I'm gonna smile today.
I'll really smile today.
I know my grandma's watching.
I can be anything.
Go get the flower girl.
I love when angels sing.
I'm glad, it's funny, all smiles, I'm sunny, it's a wedding daze.
I'm glad, I'm funny, all smiles, I'm sunny, it's a wedding daze.
