Teeth Grinder

Mike Krol

Everyone has to hurt, honestly baby
We'll make it through the day
With our feelings tucked awayAnd I want my seasons in the sun
I'll say goodbye to everyoneIf you call my name
Would I hear it
Or would it stay in the sky
forever and ever
or would it fall
and wither away?
I wanna be left aloneMy life keeps wandering through
Do you think of me when I think of you?
My friends love me so
I don't ever want to know
If I grind my teeth at night
Would you hear it?
Oh no
If I stop the clock tonight
Would you feel it?
Oh no
