Eponine

OZMA

whoa my eponine, can't you hear the words i sing?
can't you hear the words i sing?
a crush can never be resolved
seems like every resolution ends in tragedy
singin' whoa, my eponinewe swore we'd die to end this bolshevik
and now it's time
time to put an end to all your woe(whoa) my eponine, can't you hear the words i sing?
can't you hear the words i sing?you can't just let this world revolve
seems like every revolution ends in casualtysingin' whoa oh oh oh my eponinebefore you go, just these last words for you
i love you so
and love can bring an end to all your woe(whoa) my eponine, can't you hear the words i sing?
whoa my eponine, you can't just let this world revolve
whoa my eponine, can't you hear the words?
can't you hear these words?
whoa my eponine, can't you hear the words i sing?
