

Emotional Fire

Cher

I can't wait 'til I see you baby
I can't wait 'til the night comes fallin' down
I gotta see you again
And even if it couldn't be forever
I'd trade a lifetime for this night together
Hold on, hold on
My heart is burning with the heat of this
Emotional fire, every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire
There's a feelin' when I'm here beside you
Couldn't leave you and I wouldn't try to
Baby, I'd only need you again
There ain't nothing that can break this fever
The love gets stronger and the passion deeper
Hold on, hold on
I can't let go 'cause there's no stopping this
Emotional fire, every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire
I can't wait until I see you baby
I can't wait 'til the night comes fallin'
Hold on, hold on
My heart is burning with the heat of this
Emotional fire every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire
Emotional fire
Emotional fire
Emotional fire
