

# Eyes Of Silver

## The Doobie Brothers

Eyes of silver, hungry and aware  
Eyes of silver, your mystic love I share  
'Cause I'm hungry baby for the love you give away  
Kick out all that stupid pride that's standin' in my way  
Inside my loving eyes are open wide  
Eyes of silver, on which I shall rely  
Diamonds are forever, and gold can make you lie  
But your eyes of silver shine on, shine on  
Blades of steel have helped a man to conquer all  
Rubies by the hundreds fill the Taj Mahal  
Eyes of silver, you tell me what I need  
To bring this cold and lonely man down to his bended knees  
Inside my lovin' arms are open wide  
For you eyes of silver on which I shall rely  
Diamonds and gold make you lie, lie, lie  
But your eyes of silver, they shine on, shine on  
Eyes of silver, baby, shine on, shine on  
Baby, shining, yeah yeah, yeah, baby shining  
Blades of steel have helped a man to conquer all  
Rubies by the hundreds fill the Taj Mahal  
But your eyes of silver, tell me what I need  
To bring this cold and lonely man down to his bended knees  
Inside my lovin' arms are open wide  
For you eyes of silver on which I shall rely  
Diamonds and gold make you lie, lie, lie  
But your eyes of silver, they shine on, shine on  
Eyes of silver, baby, shine on, shine on  
Baby, shining, yeah yeah, yeah, baby shining
