

Helluva (feat. Kat Nestel)

Sammy Adams

Let me show you what I like.
Let's have a helluva night, yeah.
A helluva night.
I've got a friend that's just your type.
Let's have a helluva night, yeah.
A helluva night.
It takes three to make it all count.
You and me and her should get down.
So let me show you what I like.
Let's have a helluva night, yeah.
A helluva night. One is company, two's a crowd, three's a party if it all goes down.
Yep, bring a friend, you could both get plowed.
Both find out how I look down South.
I'm what they don't make no more.
Your friend's the one I saw on Facebook, though.
Gotta make sure her cake looks swole, as I'm pulling up her page, how her face look?
Ohhhh.
She a savage. Look bad as fuck and she practice.
So whatever you down with your mouth, yeah, as she bounces - it's fantastic.
Role play, wanna touch on ya.
We can both pay like a customer.
She and her fuck in the cuffs and thongs.
One, two, three. MÃ©nage Ã trois. Let me show you what I like.
Let's have a helluva night, yeah.
A helluva night.
I've got a friend that's just your type.
Let's have a helluva night, yeah.
A helluva night.
It takes three to make it all count.
You and me and her should get down.
So let me show you what I like.
Let's have a helluva night, yeah.
A helluva night. Don't know how I got on top of ya.
I ain't really into being popular.
She told me, 'I can really see the star in ya. I can see it from afar like binoculars.'
I said, 'Don't know if you've heard of this. If you'd even come close to deserving this.'
But your friend's my type. I know you like everything that I'm saying so let's go tonight.
Gotta x those plans.
Under 21? Gotta x those hands.

Master chief, but I've got master plans, in the master bedroom, I'm a master man.
Master man, move fast round here.
And he can't match? Well I just don't care.
So raise your glass, tap an ass, got a pass 'round here.
2 girls, 1 guy - that's a fact right there. This could be perfect, let's run around.
Meet up with one of your friends, I would be down.
Worth it, if you're in town.
Got a voicemail said 'don't back out, don't back out.' This could be perfect, let's run around.
Meet up with one of your friends, I would be down.
Worth it, if you're in town.
Got a voicemail said 'don't back out, don't back out.' Let me show you what I like.
Let's have a helluva night, yeah.
A helluva night.
I've got a friend that's just your type.
Let's have a helluva night, yeah.
A helluva night.
It takes three to make it all count.
You and me and her should get down.
So let me show you what I like.
Let's have a helluva night, yeah.
A helluva night. Let me show you what I like.
Let's have a helluva night, yeah.
One helluva night.
You've got a friend that's just my type.
Let's have a helluva night, yeah.
One helluva night.
