Brown Skin

JMG

[Chorus]
Brown skin, you know I love your brown skin
I can't tell where yours begins, I can't tell where mine ends
Brown skin, up against my brown skin
Need some every now and then, oh hey

Where are your people from? Maybe Mississippi or an Island
Apparently your skin has been kissed by the sun
You make me want a Hershey's kiss, your licorice

Every time I see your lips, it makes me think of honey-coated chocolate
Your kisses are worth more than gold to me
I'll be your almond joy, you'll be my sugar daddy

[Chorus]

Every time you come around, something magnetic pulls me and I can't get out
Disoriented, I can't tell my up from down
All I know is that I want to lay you down

Every time I let you in, abracadabra magic happens as we swim
Higher and higher finally we reach heaven
Come back to earth and then we do it all again
Yeah

[Chorus]

Skin so brown, lips so round
Baby how can I be down?
Beautiful mahogany, you make me feel like a queen
Tell me what's that thing you do that makes me want to get next to you, yeah

[Chorus: x2]
