

# Can't Let Go

## Burden Brothers

Well, I told you baby, one more time  
Don't make me sit all alone and cry  
It's over, I know it but I can't let go I'm like a fish out of water, a cat in a tree  
You don't even wanna talk to me  
It's over, I know it but I can't let go 'Cause you won't take me back when I come around  
Said you're sorry as she puts me out  
I gotta big chain around my neck  
And I'm broken down like a train wreck  
It's over, I know it but I can't let go See, I gotta candle and it burns so bright  
In my window every night  
It's over, I know it but I can't let go Round every corner there's something I see  
Brings me right back how I used to be  
It's over, I know it but I can't let go Yes, you will take back when I come around  
Said you're sorry as she puts me out  
I gotta big chain around my neck  
And I'm broken down like a train wreck  
It's over, I know it but I can't let go You turn off trouble like I turn off a light  
She went off and left me and it just ain't right  
It's over, I know it but I can't let go Round every corner, there's something I see  
Brings me right back how I used to be  
It's over, I know it but I can't let go Yeah, she won't take me back when I come around  
Said you're sorry as she puts me out  
I gotta big chain around my neck  
And I'm broken down like a train wreck  
It's all over, I know it but I can't let go Yeah, she won't take me back when I come around  
Said you're sorry as she puts me out  
I gotta big chain around my neck  
And I'm broken down like a train wreck  
It's all over, I know it but I can't let go It's all over, I know it but I can't let go  
It's all over, I know it but I can't let go  
Yeah, it's all over, I know it but I can't let go
