

Mighty God

[Martha Munizzi](#)

[Chorus:]

He's A Mighty God

Powerful and Holy God

He's A Mighty God

Powerful and holy God Yeah

He's a Mighty God

Powerful and Holy God

He's A Migthy God, Mighty Mighty God[Bridge:]

For we wrestle not against flesh and blood

But against principalities, in the heavenlies

And we will stand and behold our ground

For we have all authority, power in Jesus name

Don't you worry 'bout a thang

[Repeat From Top]

Vamp:

Powerful, Mighty & Holy

King of Kings, His name is Worthy

Mighty God, He's a Mighty God[Ending:]

Don't You Worry 'bout a thang!
