Never Turnin' Back

Bruce Hibbard

chorus: "Never Turnin' Back
after all u done
u always be the part of me
u the only 1
when I Never Turnin' Back
after all u caught me through
I never find the reason I turning back on u"

I was wrong to thinking I could live my life
my own way.
took so long
until my eyes to see the light, light of day
ohhhh.
I can cling in rain, u wash away in my skin
and I be fooler , telling neva going that way again

chorus: "Never Turnin' Back
after all u done
u always be the part of me
u the only 1
when I Never Turnin' Back
after all u caught me through
I never find the reason I turning back on u"

every day
i find ur mercy to me is all i need to took me through
every way i find my self it coming more , more like u
i never had it, so good before
my life is "can't translate help !! :))"

chorus:x5 "Never Turnin' Back
after all u done
u always be the part of me
u the only 1
when I Never Turnin' Back
after all u caught me through
I never find the reason I turning back on u"
