Latin Lingo

House Of PainFreak to the funk that no-one else is bringing

Sen Dog with the funky bilenge

Peace to Mellow and Frost, and the deportee

Sen Dog is not kid from the Telano

I'm down, another fried Hispano

One of the many of the Latin deseyano (de-say-ahnyo)

And I got plenty for the Jennies tryin to hound dog

But wait, they're clownin on me cause of my language

I have to tell em straight up, it's called spanglish

Now who's on the fiend, gala gringo?

Tryin to get paid, from the funky bilingualLatin lingo baby (funky bilingual) funky bilingual

Catchin all them slippin, for they such a one-timer  
So when you see me at the party or the baile  
Before I got here I was gaffled in the calle  
Troop like a vacho who said I was baracho  
Had an attitude, tried to play me macho
