The One I Crave

Christina Grimmie

Now and then I think of when we were together

Like when you said you felt so happy you could die

Told myself that you were right for me

But felt so lonely in your company

But that was love and it's an ache I still remember You can get addicted to a certain kind of sadness

Like resignation to the end

Always the end

So when we found that we could not make sense

Well you said that we would still be friends

But I'll admit that I was glad that it was overBut you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to knowNow and then I think of all the times you screwed me over But had me believing it was always something that I'd done

And I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on

Somebody that you used to know. But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to knowSomebody

I used to know

Now you're just somebody that I used to know

Somebody, yeah yeah Now you're just somebody that I used to know
