

Shake

Kim Kardashian

Lights on!
Sparkles in your eyes turn the lights on,
Its clear to see that Ive got your attention.
Youre eyes are screaming,
Baby, give me more, more, more!
And you like the way Im moving, moving!Chorus:
Whats your intention, its hard to be missed,
You want some, what do you need?
And I will follow through.
..the night its over,
Are you gonna make a move on me?
Tell me what you want, tell me what you need!
Get up and walk, get on the floor!
All night in the dream light,
I bet youre thinking youre.Cause youre thinking.
Shake, shake, shake!
I bet you cant get in the light,
Me and the girls in the full light,
All the boys on the top,
And the ones on the bar saying
Shake, shake, shake!Right now you got me on the mission to the sunny town,
I bet your hart is racing like a race car,
You make me want you,
What youre waiting for?
Im sure you cannot wait to feel it!
