

# Show Me What You Got

JAY-Z

This is a state of emergency  
What you want me to do  
I'm sorry  
I'm back  
Hey, hey, hey Show me what you got, lil mama  
Show me what you got, pretty lady  
Show me what you got, shorty  
Show me what you got, baby Hands up and waves, waves, waves, waves  
Give the drummer some  
I already gave the summer some  
It's the winter's turn  
Hovie Hov is the coldest  
I'm just getting better with time  
I'm like Opus One  
Young, no two alike like a snowflake  
Okay, Show me what you got baby  
Words is slurring, engine purring  
Mami front, but I'm so determined  
Shots of Patron, now she in the zone  
I ain't talking bout the 2-3  
Mami in the zone like the homie two-three  
Jordan or James, makes no difference  
We all ballin the same  
Nigga, I am the Mike Jordan of recording  
Nigga, you might want to fall back from recording  
What you write is not important  
So it forced him to go for the hype  
For being brave they may applaud him  
But misery, I will assure them  
Aww baby, just ignore them  
Truth or dare mami, listen and learn  
I got a drop, I just took off the top  
It's your turn Show me what you got, lil mama  
Show me what you got, pretty lady Show me what you got, shorty  
Show me what you got, baby  
Hands up and waves, waves, waves, waves H.O.V.A., gold bottles of that ace of spade  
Why even fool with these other guys, they all stingy  
All these dudes know how to say is gimme  
Gimme some ass, gimme some brain

Gimme your number, gimme your name  
But if I get one night baby girl, I swear  
I'll make you tell these other dudes gimme got you here  
I'll take you shopping, take long trips  
I'll take the cork off, you can take sips  
I'll take you there, take my time  
Take you clothes off, you take off mine  
Ma, show me what you got  
Hovie in the spot, tried to told you I was hot  
Tell these other dudes it's a wrap  
Get the fuck out the throne you clone, the King's back!  
Y'all got less than 2 months to get y'all thing together  
Good luck  
Show me what you got, lil mama  
Show me what you got, pretty lady  
Show me what you got, shorty  
Show me what you got, baby  
Hands up and waves, waves, waves, waves  
Ladies and gentlemen the most incredible
