

Backdoor To Heaven

Bon Jovi

And now we're alone
My heart's in your hands
I need someone to love
I need a friend I feel your innocence, baby
But aren't you guilty tonight?
I need someone to save me
To keep me warm, 'cause it's cold outside Oh, won't you help me, baby?
Don't you hide now
Won't you take me, darling
For a ride now? You got me begging and I'm on my knees
You gotta let me in, let me in, let me in The backdoor to heaven
Is in your arms tonight
You're my backdoor to heaven
So, baby, let me in, let me in, let me in You make it so hard
To open your door
I know you're an angel
Who's never, never fallen before Oh, I'm in the dark
Won't you give me some light now?
No one can tell us, baby
What's wrong or right now You got me begging on my, on my knees
Now won't you let me in, let me in, let me in The backdoor to heaven
It's in your arms tonight
You're my backdoor to heaven
Yeah, baby, won't you let me in, let me in, let me in? Oh, I'm just a sinner
But this ain't no sin
Oh, let me in, let me in, let me in
Let me in, let me in The backdoor to heaven
Is in your arms tonight
You're my backdoor to heaven, baby
You gotta let me in, let me in, let me in The backdoor to heaven
Halfway to paradise
You're my backdoor to heaven
Oh, baby, let me in, oh yeah, yeah, yeah Your heart, your soul, your kiss
You're mine, my soul, my everything
Oh-oh, oh-oh, oh-oh, oh-oh
Backdoor, your lips, our love
