

Midnight Rendezvous (2000 Remaster)

The Babys

Driving faster than you want me to
Can't help myself when I'm alone with you

Alright

Alright

I've passed the limit and there's no way back
Your kind of love gives me a heart attack

Alright

Alright

Cause baby can't you see
We need to spend some time alone
We need to see some dreams come true

I want to feel me touching you

We need a midnight rendezvous

On the freeway with the throttle down

You drive me crazy as we drive around

Alright

All night

The way you look tonight you aim to please
The dress you're wearin' is way past your knees

Alright

Alright

Cause baby can't you see
We need to spend some time alone
We need to see some dreams come true

I want to feel you touching me

We need a midnight rendezvous

Midnight

Midnight rendezvous

Midnight

Midnight rendezvous

Midnight

Midnight rendezvous

Midnight

Midnight rendezvous

Yeah yeah

All I really want to do
Spend some time alone with you

Yeah

A midnight

(Baby baby can't you see)
(Baby baby you and me)
(Baby baby can't you see)
(Baby baby you and me)
A midnight rendezvous
Yeah
All I really want to do
Oh I really want to fuck you
Oh
Midnight rendezvous
