

# Love to Love

Sandra van Nieuwland

We float for miles on a hazy dream  
Side by side, a soft machine  
Where we'll go  
Time will tell  
Sink or sail

On deep waters...Hey, how I'd love to love  
Hey, how I'd love to love again  
Hey, how I'd love to love  
Hey, how I'd love to love again  
Hey, how I'd love to not  
Hey, how I'd love to not pretend  
Hey, how I'd love to love  
Hey, how I'd love to love again  
I'm throwing smiles,  
winks and how are you's...  
Mix them up to a simple truth  
Where we'll go, no one knows  
Overdose

I'll be waitingHey, how I'd love to love  
Hey, how I'd love to love again  
Hey, how I'd love to love  
Hey, how I'd love to love again  
Hey, how I'd love to not  
Hey, how I'd love to not pretend  
Hey, how I'd love to love  
Hey, how I'd love to love again  
Sometimes surprise  
Is what you expect  
Keep quiet, lay still  
And wait for it to happen

Someday starts off todayOh I think I'm ready now, love to love  
Smile on my face, are we taking off?  
Oh I think I'm ready now, face the facts  
Smile on my face, never going back...Are we taking off?  
Oh, how I'd love to love again  
How I'd love to love  
Are we taking off?  
Are we taking off?  
I am never going back
