

Suffer In Silence

[Willie Nelson](#)

I think, I should speak to you stranger
Your problem is clear now to me
You think that the whole world's against you
And you tell everyone that you see Just suffer in silence speak no bitter words
The world offers no sympathy
Though trouble surrounds you
And you long to be heard just suffer in silence like me I'll give you a lesson in living
I hope it stays with you awhile
You're the reason for all of your sorrows
So just suffer in silence and smile Just suffer in silence speak no bitter words
The world offers no sympathy
Though trouble surrounds you
And you long to be heard just suffer in silence like me
