Dirty Nails

Shadow Hearts

Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant

What to what, what sang
Double it, I'll double fine
You're open fine
This generates
Embrace the weak

Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant

Open up your filthy hands
Dig out your dirty nails
You're open wounds
Spread the disease
So what's the cure?

Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant

Intolerant
Intolerant
Intolerant, intolerant, I am intolerant

You ask me how I live like this?
When you, you can barely speak
Yeah, you ask me why I live like this
And you're barely alive, oh hah
Only with your friends, yeah
Just to relax
Just to let go
And the weekend
And the weekend is every day

You know it kills
You know it kills
You know it kills

You know it kills
Know it kills but you swallow, swallow

Intolerant, intolerant, I am intolerant
Intolerant, intolerant, I am intolerant
