I'll Be Home

The Flamingos

I'll be home, my darling
Please wait there for me
We'll stroll along together
Once more our love will be free

A-a-a-a-at the corner the drugstore
Each Saturday we would meet
I'd walk you home in the moonlight
All of these things will be free

So, darling, as I write this letter
Here's hoping you're thinking of me
My time's about up, so long until
I'll be home to start serving you

I'll be home, my darling
Please wait there for me
We'll stroll along together
All of these things we'll repeat

So, darling, as I write this letter
Here's hoping you're thinking of me
My time's about up, so long until
I'll be home to start serving you

I'll be home, my darling
Please wait there for me
We'll stroll along together
Our love will be free
