Lonely Teardrops

Jackie Wilson

Shooby doo wop wop wop
Shooby doo wop wop wop
Shooby doo wop wop wopMy heart is fine, fine, lonely teardrops
Why they'll never dry up? Lonely teardropsCome home, come home
Just say you will, say you will, say you will
Say you will, say you will
Hey hey, say you willMy heart is fine, fine, lonely teardrops
Why they'll never dry up? Lonely teardropsCome home, come home
Just say you will, say you will, say you will
Say you will, say you will
Hey hey, say you willJust give me another chance, for I'll romance
Come on and tell me that one day you'll return
'Cause everyday that you've been gone away
You'll know why my heart does nothing but burn cryingLonely teardrops
Why they'll never dry up? Lonely teardropsCome home, come home
Just say you will, say you will, say you will
Say you will, say you will
Hey hey, say you willSay it right now baby, say you will
Come on, come on, say you will
Say it darling yeah, say you will
