

Computer Love (featuring Shirley Murdock)

Zapp

Computerized (digital love)
Computerized
Oh, baby
A beautiful love Computer love (computer, computer love)
Computer love (lookin' for my computer love)
Computer love (hey)
Computer love (computer love) You know I've been searching for someone
Who can share that special love with me
And your eyes have that glow
Could it be your face I see on my computer screen Need a special girl (ooh yeah)
To share in my computer world
I no longer need a strategy
Thanks to modern technology Shooby doo bop shoo doo bop I want to love you
Shooby doo bop (I want to love you) computer love
Shooby doo bop shoo doo bop I want to love you
Shooby doo bop my computer love You know I've been around
From sexy mamas to cool prima donnas
I want to share your treasure, oh so rare
Cause its your face I see on my computer screen Oh won't you keep me warm tonight
You are such a sweet delight
I will cherish the memory of this night
Yes I found my computer love Shooby doo bop shoo doo bop I want to love you
Shooby doo bop (I want to love you) computer love
Shooby doo bop shoo doo bop I want to love you
Shooby doo bop my computer love Digital love (digital love)
Computer love (computer love)
Digital love (digital love)
A beautiful love (beautiful love)
A digital love (digital love)
Digital love (digital love)
(Its just computer digital beautiful beautiful love) You are my computer love (hey hey)
You are my computer love (my computer love)
You are my computer love (my computer love)
Yes I found my computer love Shooby doo bop shoo doo bop I want to love you
Shooby doo bop computer love (Shooby doo doo doo)
You are (shooby doo doo doo), you are (doo doo doo doo doo computer)
You are (do we mean it), you are (do we mean it, eee)
You are, you are (do we feel it, yeah)
You are (feel it), you are

You are, you are (you, oh)Shooby doo bop shoo doo bop I want to love you
Shooby doo bop computer love (computer)
Shooby doo bop shoo doo bop I want to love you (I love you)
Shooby doo bop computer love (computer love)
Shooby doo bop shoo doo bop I want to love you (I love you, oh)You are (Shooby dee da doo) you are (shooby
dee da doo doo de doo doo doo computer)
You are (do we mean it) you are (do we mean it)
You are (do we mean it, do we baby) you are (do we, baby, baby, baby, baby, yeah)
