## Brian McKnight

The song is actually called "Always be my baby" Verse 1:  
How do you know when's the right time to throw in the towel/  
What do you say when it's all said and done/  
Where do you go to sort out your feelings/  
When nothing is like it was/  
There's no easy way to break somebody's heart/  
I couldn't keep this thing from falling a part/Chorus:  
But it doesn't mean that I don't love you/  
Ohhh nooo/

And it doesn't mean that I won't miss you/  
Even though we're a part save a place in your heart for me/  
You'll always be my baby/  
Yeahhh ... Mmmmm Verse 2:

How do I look into your eyes and tell you it's over/  
What do I do if you break down and start to cry/  
Do I sell out and say the old cliché/  
It's not you that's me girl/  
What do I tell you if you ask me why/  
'Cuz there's no easy way to break somebody's heart  
I need to tell you but, I don't have the heart/Chorus:  
But it doesn't mean that I don't love you/  
[Doesn't mean that I don't love you]/  
And it doesn't mean that I won't miss you  
[I won't miss you baby]/

Even though we're a part save a place in your heart for me  
You'll always be my baby/Bridge::

I know it's hard right now but one day you'll see that you'll find someone who'll love you like you need to be/  
And it's okay if you forget about me/

Wherever you are in this world you'll always be my girl But it doesn't mean that I don't love you  
And it doesn't mean I don't miss you baby [ baby, baby]

Even though we're a part save a place in your heart for me  
{ 2x }
