

Fire Under My Feet

Leona Lewis

I got fire under my feet
And I feel it in my heartbeat
Oh you can't put out all these flames
You can't keep me down in my seat
I got fire under my feet
And I feel it in my heartbeat
Oh go get out of the blaze
If you can't take the heatFire!
Oh oh woah
Oh oh woah
Oh oh woah
OhI tripped and I stumbled
Watched my world crumble
Sometimes you eat dirt
You live and you learn
Thrown in with the lions
The tigers and titans
Afraid to get hurt
But now I'm making them purrI got fire under my feet
And I feel it in my heartbeat
Oh you can't put out these flames
You can't keep me down in my seat
I got fire under my feet
And I feel it in my heartbeat
Oh go get out of the blaze
If you can't take the heatFire!
Oh oh woah
Oh oh woah (Fire!)
Oh oh woah
OhWas drowning in quicksand
Nobody grabbed my hand
Thought it buried me
Instead I'm set free
Moving onto bigger things
I begin to spread my wings
No longer in chains
I'm dancing over these flamesI got fire under my feet
And I feel it in my heartbeat
Oh you can't put out these flames

You can't keep me down in my seat
I got fire under my feet
And I feel it in my heartbeat
Oh go get out of the blaze
If you can't take the heatFire!
Oh oh woah
Oh oh woah (Fire!)
I got, I got fire (woah oh)This may not be
Not be perfect
But I'm happy
And I've earned it
Every tear shed
Will be worth it
Step by step, ain't looking back
Have no regrets 'cause I gotI got fire under my feet
And I feel it in my heartbeat
Oh you can't put out these flames
You can't keep me down in my seat
I got fire under my feet
And I feel it in my heartbeat
Oh go get out of the blaze
If you can't take the heatFire
Oh oh woah
Oh oh woah (fire!)
Oh oh woah yeah da da
I got fire (woah oh oh)
I got fire (oh oh woah)
Yeah da da, yeah da da
Oh fire
Fire
Fire
Fire
Ooh
(Can you feel it)
Can't keep me, can't keep me
Can't hold me, can't hold me
Can't keep me, can't keep me
Woah oh
Hmm hmm, fire
You can't put out these flames
