# Without Love

## Satchel

She wasn't young, but still a child
There was still innocence in painted smiles
She called to me as I passed her by
Lady of the night looked in my eyesShe said, "I've been through some changes
But one thing always stays the same"Without love, there's nothing without love
And nothing else can get you through the night
Nothing else feels right without loveI saw a man down on Lonely Street
A broken man who looked like me
And no one knows the pain that he's been living
He lost his love and still hasn't forgivenHe said, "I've been through some changes
But one thing always stays the same"Without love, there's nothing without love
And nothing else can get through the night
Nothing else feels right without loveAnd nothing without love
Nothing else but love can burn as bright
'Cause nothing would mean nothing without loveI see my life, some things I took for granted
Love's passed me by, so many second chances
I was afraid, I won't be afraid no moreWithout love, there's nothing without love
Nothing else can get you through the night
Nothing else feels right without loveAnd nothing without love
And nothing else but love can burn as bright
'Cause nothing would mean nothing without loveThere's nothing without love
And nothing without love
Nothing without love
