

I Wish

Victoria Beckham

Ah, come on
Ooh, oh yeah
Come on, uh
I saw you outside, getting out your ride
A CLK430, you got style
As soon as I checked you out, a ladies man no doubt
From head to toe your all class and I like it
How 'bout you buy me a rose 'cos I think
This is gonna get a little interesting, come on
Let's see where this conversation goes
I'm not sure that I want you to know
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight
I've gotta fight it
If you take me home, get me all alone
Nothing could happen it's just too soon
I'm just being upfront, telling you from the jump
Not tonight I'm not that type of girl, I'm sorry
If I gave you the wrong impression
I apologize from the bottom of my heart
I'm talkin' out my head, probably misled you
I'm confused and I'm a little scared
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight, I've gotta fight it
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight, I've gotta fight it
My body's playin' tricks on me
I'm just not thinkin' clearly
This has happened too quickly
I've got to slow down
Tomorrow is another day
This I promise if you say
That it doesn't matter

Everything is gonna be okay
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight, I've gotta fight it
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight, I've gotta fight it
I wish I could right now
Wish that I could show you how
I'm feeling you, boy I try, I can't hide
How badly I want you tonight, I've gotta fight it
Come on
I wish I could show you how
