

Dancing In The Dark

Jessy

Can we try again
to start a new and lovely story
that will shine a ray of light
upon our hearts
and bring back long lost glory
of how it used to be
baby you and me
convinced we were
each others destiny
my heart cries out to you
you must forgive me
I've been dancing in the dark
and searching for a spark
of fire still burning
i believe we'll make it through
if you stand by me
we can weather any storm
and keep each other warm
as long as there's love
every time i think of us
my eyes are filled with tears
to think that i gave in
to sweet temptation
cause words like music
to my ears
i hope its not too late
that you still a wait
oh please tell me that
your still having faith
my heart cries out to you
you must forgive me
Ive been dancing in the dark
been searching for a spark
of fire still burning
i believe we'll make it through
if you stand by me
we can weather any storm
and keep each other warm
as long as there's love

hmm hmm hmmm
but faith is not mine
if i could id unturn
the hands of time
oh my heart cries out to you
you must forgive me
ive been dancing in the dark
searching for a spark
i believe we'll make it through
if you stand by me
we can weather any storm
and keep each other warm
as long as there's love
never enough love
