

# My Dick

## Mickey Avalon

My dick cost a late night fee  
Your dick got the HIV  
My dick plays on the double feature screen  
Your dick went straight to DVD  
My dick bigger than a bridge  
Your dick look like a little kids  
My dick large like the chargers  
(The whole team)  
Your shit look like you're fourteen  
My dick locked in a cage  
(Right)  
Your dick suffer from stage fright  
My dick so hot it's stolen  
Your dick look like Gary Coleman  
My dick pain and big  
Your dick stinks like shit  
My dick got a Caesar do  
Your dick needs a tweezer dude  
My dick is like super size  
Your dick look like two fries  
My dick more mass than the Earth  
Your dick half staff  
(It needs work)  
My dick been there done that  
Your dick said so  
My dick, V.I.P.  
Your shit needs I.D.  
It's time that we let the world know  
Dude, you gotta let your girl go  
D.S. is the best in the business  
P.S., we got dicks like Jesus  
It's time that we let the world know  
Dude, you gotta let your girl go  
D.S. is the best in the business  
P.S., we got dicks like Jesus  
My dick need no introduction  
  
Your dick don't even function  
My dick served a whole lunch-in

Your dick, it look like a munchkin'  
My dick size of a pumpkin  
Your dick look like Mackauley Culkin  
My dick good good lovin'  
Your dick good for nothin'  
My dick bench pressed 350  
Your dick couldn't shoplift at Thrifty  
My dick pretty damn skimpy  
Your dick hungry as a hippie  
My dick don't fit down the chimney  
Your dick is like a kid from the Philippine  
My dick is like an M16  
Your dick, broken vending machine  
My dick parts the seas  
Your dick farts and queefs  
My dick rumble in the jungle  
Your dick got touched by your uncle  
My dick goes to yoga  
Your dick fruit roll up  
My dick grade a beef  
Your dick made a geek  
My dick sick and dangerous  
Your dick quick and painless  
My dick 'nuff said  
Your dick loves Fred  
It's time that we let the world know  
Dude, you gotta let your girl go  
D.S. is the best in the business  
P.S., we got dicks like Jesus  
It's time that we let the world know  
Dude, you gotta let your girl go  
D.S. is the best in the business  
P.S., we got dicks like Jesus
