Shots

Imagine Dragons

I'm sorry for everything
oh everything I've doneam I out of touch
am I out of my place
when I keep saying that I'm looking for an
empty space
oh I'm wishing you're here
but I'm wishing you're gone
I can't have you and I'm only gonna do you
wrongoh I'm going to mess this up
oh this is just my luck
over and over and over againI'm sorry for everything
oh everything I've done
from the second that I was born
it seems I had a loaded gun
and then I shot, shot, shot a hole through
everything I loved
oh I shot, shot, shot a hole through every single
thing that I lovedam I out of luck
am I waiting to break
when I keep saying that I'm looking for a
way to escape
oh I'm wishing I had what I'd taken for granted
I can't help you when I'm only gonna do
you wrong[repeat pre-chorus]
[repeat chorus]in the meantime can we let it go
at the roadside that
we used to know
we can let this drift away
oh we let this drift away
at the bayside
where you used to show
in the moonlight
where we let it go
we can let this drift away
oh we let this drift awayand there's always time to change your mind
oh there's always time to change your mind
oh love, can you hear me
oh let it drift away[repeat chorus]
[repeat bridge]
