

# Misery Business

## Vitamin String Quartet

I'm in the business of misery, let's take it from the top  
She's got a body like an hourglass that's ticking like a clock  
It's a matter of time before we all run out  
But when I thought he was mine she caught him by the mouth I waited eight long months, she finally set him free  
I told him I couldn't lie, he was the only one for me  
Two weeks and we caught on fire  
She's got it out for me but I wear the biggest smile Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now But God, does it feel so good  
'Cause I got him where I want him now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good Second chances they don't ever matter, people never change  
Once a whore, you're nothing more, I'm sorry, that'll never change  
And about forgiveness we're both supposed to have exchanged  
I'm sorry honey but I passed it up, now look this way Well there's a million other girls who do it just like you  
Looking as innocent as possible to get to who they want  
And what they like, it's easy if you do it right  
Well I refuse, I refuse, I refuse! Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now But God, does it feel so good  
'Cause I got him where I want him right now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good I watched his wildest dreams come true  
And not one of them involving you  
Just watch my wildest dreams come true  
Not one of them involving Whoa, I never meant to brag  
But I got him where I want him now Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now But God, does it feel so good  
'Cause I got him where I want him right now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good
