Wrap Your Troubles in Dreams

Dean Martin

When skies are cloudy and gray
They're only gray for a day
So wrap your troubles in dreams
And dream your troubles awayUntil the sunshine peeks through
There's only one thing to do
Just wrap your troubles in dreams
And dream your troubles awayYour castles may tumble that's fate after all
Life's really funny that way
No use to grumble just smile as they fall
Weren't you a king for a dayOh just remember the sunshine
Always follows the rain
So wrap up your troubles in dreams
And dream your troubles awayCastles may tumble that's fate after all
Life's really funny that way
No use to grumble just smile as they fall
Weren't you a king for a dayOh just remember the sunshine
Always follows the rain
So wrap up your troubles in dreams
Wrap your troubles in dreams
And dream dream your troubles away
