Afflictions

Sorrow

Nothing but silence
Inside these four walls
The worms of affliction
Take over my heartThe burning stakes of desire!
Just ember remains!
I try to light a new fire!Start over again!I'm breathing. (It's)
Relieving a proof of life
I'm bleeding, misleading my aims are gone
Save me! From my destinyFree me! From this tragedy
I can't escape on my own!In shades I live, in haze I drownIn pain and darkness
(I'm) alone with myself
The wolves of repulsion
They conquer my mindThe rusty blades of awareness!
Cut into my flesh!
I try to write a new chapter!To be sane again
To be sane again!I'm breathing. (It's)
Relieving a proof of life
I'm bleeding, misleading my aims are gone
Save me! From my destinyFree me! From this tragedy
I can't escape on my own!In shades I live, in haze I drownIn shades I live, in haze I drown
I try to fight this, my sadness my depression!
