Yearning

Isobel Campbell

My heart is yearning
My heart is yearningDreams are for knowin'
Seeds are for sowin'
Ebbin' and flowin'
While my love is growin'My heart is yearning
My heart is yearning
My heart is yearningDreams are for knowin'
Seeds are for sowin'
Ebbin' and flowin'
While my love is growin'Sure as an acorn
Grows from a seed
Father provide me
With all that I seekMy heart is yearningDreams are for knowin'
Seeds are for sowin'
Ebbin' and flowin'
While my love is growin'Sure as an acorn
Grows from a seed
Father provide me
With all that I seekMy heart is yearningAnd the mountain knows it is so
And the newborn knows it is so
And the old man knows it is so
And I always pray it is soMy heart is yearning
