

# Sick Boy

## Northeast Party House

oh there he goes again  
high like a zeppelin  
big eyes and under fed  
she took him by the throat and said  
i love you, sick boy, yeah  
i love you, sick boy, yeah  
his heart gets what it needs  
from shooting antifreeze  
laid out beside the bed  
she took him by the throat and said  
i love you, sick boy, yeah  
i love you, sick boy, yeah

you are the real one  
my s-i-c-k love  
they begged me to avoid  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy  
my s-i-c-k boy
