

# Lost Stars

Stevie McCrorie

Please see me  
Just a boy caught up in dreams and fantasies  
Please see me  
Reaching out for someone I can't see  
Take my hand, let's see where we wake up tomorrow  
Best laid plans sometimes are just a one night stand  
I'll be damned, Cupid's demanding back his arrow  
So let's get drunk on our tears  
And God  
Tell us the reason youth is wasted on the young  
It's hunting season and the lambs are on the run  
Searching for meaning  
But are we all  
Lost stars  
Trying to light up the dark?  
Who are we?  
Just a speck of dust within the galaxy?  
Don't you dare let our best memories bring you sorrow  
Where we're dancing in our tears  
And God  
Tell us the reason youth is wasted on the young  
It's hunting season and the lambs are on the run  
Searching for meaning  
But are we all  
Lost stars  
Trying to light up the dark?  
And I thought I saw you out there crying  
And I thought I heard you call my name  
And I thought I heard you out there crying  
But just the same, yeah  
And God  
Tell us the reason youth is wasted on the young  
It's hunting season and the lambs are on the run  
Searching for meaning  
But are we all  
Lost stars  
Trying to light up the dark?  
And I thought I saw you out there crying  
And I thought I heard you call my name  
And I thought I heard you out there crying  
Just the same all lost stars  
Trying to light up the dark?
