The Ever

Red

Verse 1:
I Didn't Know The Things That I Could Do
I Didn't Know How Much I Could Lose
Why Did I Forget So Easily
Why Couldn't I See I Had EverythingChorus:
But You Saw More
You Saw My Deepest Part
With The Light Of A Thousand Stars
You Saw Them, Awake In MeAnd Through Your Eyes
You Showed Me Everything
You Woke Me Up Inside, Brought Back To Life
I Lost Myself, But Now I Breathe AgainVerse 2:
Like A Poet Without Pain
Like A Beauty Without Rage
Like An Innocence Without A Life To SaveLike A Hope Without A Slave
Like Your Eyes Without A Face
Like An Instinct With No Other Life To Take
It's Beauty And Rage!
It's Beauty And Rage!
It's Beauty And RageIt's Beauty And Rage (It's Beauty And Rage!)
It's Beauty And Rage (It's Beauty And Rage!)Chorus:
But You Saw More
You Saw My Deepest Part
With The Light Of A Thousand Stars
You Saw Them, Awake In MeAnd Through Your Eyes
You Showed Me Everything
You Woke Me Up Inside, Brought Back To Life
I Lost Myself, But Now I Breathe Again
