

Sometimes

DJ Vadim Presents The Electric

Sometimes I move in chains

But I never feel the pain

I wish I could explain

Sometimes

Sometimes it goes so fast

I try to make some moment last

I watch it slippin' past

Sometimes

I get this infernal need

I'm losin' ground

Gotta make up speed

Right now

Something's there just out of reach

Something I'm not sure I need

Something I just can't let be

Touchin' something deep in me

Sometimes burnin' bright

In the dark heart of the night

I think I see a light

Sometimes

Sometimes I hear the sound

Of some night train leavin' town

I want to chase it down

Sometimes

I want to catch that train

I want to get on board

I want to ride away to some distant shore

Right now

I want to leave behind this hopeless maze

Of broken dreams and endless days

I want to wake up some place far away

I wanna wake up to a brand new day

Sometimes

Sometimes I move in chains

But I never feel the pain

I wish I could explain

Sometimes

Sometimes it goes so fast

I try to make some moment last
I watch it slippin' past
Sometimes
I watch it slippin' past
Sometimes
