

Girls

Lefty

Girls hit back
When you least expect
Where you most regret it
Girls they don't understand
Why I love my friends
More than them I don't mean to say it but somebody
Needs to put an end to them
I don't mean to say it but somebody
Needs to put an end to girls Girls decorate the house
With flowers and cows
And pictures of the family
And girls think their misunderstood
But I know god damned well
All the things they do, they do to nerve me I don't mean to say it but somebody
Needs to put an end to them
I don't mean to say it but somebody
Needs to put an end to girls, to girls, to girls
An end to girls, to girls, to girls They'll never understand, never understand
Wish I didn't need them
Wish I didn't need them I don't mean to say it but somebody
Needs to put an end to them
I don't mean to say it but somebody
Needs to put an end to girls I don't mean to say it but somebody
Needs to put an end to them
I don't mean to say it but somebody
Needs to put an end to girls, to girls, to girls Wish I didn't need them
