

# Goosebumps

## Travis Scott

[Intro: Travis Scott]

Yeah

7:30 in the night

Ooooh ooh[Hook: Travis Scott]

I get those goosebumps every time, yeah, you come around, yeah

You ease my mind, you make everything feel fine

Worry about those comments

I'm way too numb, yeah, it's way too dumb, yeah

I get those goosebumps every time, I need the Heimlich

Throw that to the side, yeah

I get those goosebumps every time, yeah, when you're not around

When you throw that to the side, yeah

I get those goosebumps every time, yeah[Verse 1: Travis Scott]

7-1-3 to the 2-8-1, yeah I'm riding

Why they on me? Why they on me? I'm flyin'

Sippin' lowkey I'm sipping lowkey in Onyx

Rider, rider when I'm pullin' up right beside ya

Popstar, lil' Mariah

When I text a cute game, wildness

Throw a stack on the Bible

Never Snapchat or took molly

She fall through plenty, her and all her ginnies

Yeah, we at the top floor, right there off Doheny

Oh no, I can't fuck with y'all

Yea, when I'm with my squad I cannot do no wrong

Yeah, saucing in the city, don't get misinformed, yea

They gon' pull up on you (brr, brr, brr)

Yeah, we gon' do some things, some things you can't relate

Yeah, cause we from a place, a place you cannot stay

Oh, you can't go, oh, I don't know

Oh, back the fuck up off me (brr, brr, brr)[Hook: Travis Scott]

I get those goosebumps every time, yeah, you come around, yeah

You ease my mind, you make everything feel fine

Worry about those comments

I'm way too numb, yeah, it's way too dumb, yeah

I get those goosebumps every time, I need the Heimlich

Throw that to the side, yeah

I get those goosebumps every time, yeah, when you're not around

When you throw that to the side, yeah

I get those goosebumps every time[Verse 2: Kendrick Lamar]  
I want to press my like, yeah, I wanna press my  
I want a green light, I wanna be like  
I wanna press my line, yeah  
I want to take that ride, yeah  
I'm gonna press my lime  
I wanna green light, I wanna be like, I wanna press my  
Mama, dear, spare your feelings  
I'm reliving moments, peeling more residual  
(I can) buy the building, burn the building, take your bitch, rebuild the building just to fuck some more  
(I can) justify my love for you and touch the sky for God to stop, debating war  
Put the pussy on a pedestal  
Put the pussy on a high horse  
That pussy to die for  
That pussy to die for  
Peter, piper, picked a pepper  
So I could pick your brain and put your heart together  
We depart the shady parts and party hard, the diamonds yours  
The coupe forever  
My best shots might shoot forever like (brr)[Hook: Travis Scott]  
I get those goosebumps every time, yeah, you come around, yeah  
You ease my mind, you make everything feel fine  
Worry about those comments  
I'm way too numb, yeah, it's way too dumb, yeah  
I get those goosebumps every time, I need the Heimlich  
Throw that to the side, yeah  
I get those goosebumps every time, yeah, when you're not around  
When you throw that to the side, yeah  
I get those goosebumps every time
