

# The Red and the Black

## Blue Å–yster Cult

Canadian Mounted, baby police force at work  
Red and black, it's their color scheme  
Get their man in the end  
(It's all right)  
It's all right  
(It's all right)  
It's all right  
(It's all right)  
Ah yeah, my honies know it's all right  
(It's all right)  
It's all right  
(It's all right)  
It's all right  
(It's all right)  
Ah yeah, baby knows it's all right  
You'd kill, you'd maim  
(Ah, c'mon kill 'em)  
You'd kill, you'd maim  
(Look out)  
C'mon my husky  
Frontenac Chateaus baby I cross the frontier at ten  
I got a whip in my hand, baby  
And a girl or a husky at leather's end  
(It's all right)  
It's all right  
(It's all right)  
It's all right  
(It's all right)  
Ah yeah, baby knows it's all right  
(It's all right)  
It's all right  
(It's all right)  
It's all right  
(It's all right)  
Yeah baby, yeah it's all right  
You'd kill, you'd maim  
(Ah, c'mon kill 'em now)  
You'd kill, you'd maim  
Horn swoop me bungo pony on dog sledge on ice

Make a dash for freedom baby, don't skate on polar ice  
It's too think to be sliced by the light of long and white polar nights  
    (It's all right)  
        It's all right  
        (It's all right)  
        It's all right  
        (It's all right)  
    Yeah, baby knows it's all right  
        (It's all right)  
        It's all right  
        (It's all right)  
        It's all right  
        (It's all right)  
    Yeah, knows it's all right  
        You'd kill, you'd maim  
        (Ah, c'mon kill 'em now)  
        You'd kill, you'd maim  
    (Maim 'em too ah, break it up)
