Born to Break Your Heart

Saskwatch

Wish that I took my chance
Never been good with romance
It wasn't all in black and white
Couldn't get through it all
Still suffer and clung my jaw
Dreaming that one day

You would be there
To love and care
I know it was
ALL MY FAULT
And I'll do anything I can

Deep inside your own head
I could never know your pain
Thinking I was born to break your heart
BORN TO BREAK YOUR HEART

Sick of your disregard
And cigarettes in the yard
And wondering where you are at night
So I'm asleep in the hall
Ever at your beckon call
Hoping that one day

You would be there
To love and care
I know it was
ALL MY FAULT
And I'll do anything I can

Deep inside your own head
I could never know your pain
Thinking I was born to break your heart

Deep inside your own head
I could never know your pain
Thinking I was born to break your heart

Deep inside your own head

I could never know your pain
Thinking I was born to break your heart
BORN TO BREAK YOUR HEART
