Spend All My Time

Marsha Ambrosius

I'm a material girl, living this material life (life, life)
I been around this whole world (whole world girl)
All alone, a couple times
It can get kinda lonely, baby (baby)
I'm too busy to notice sometimes (oh oh sometimes)
I been without you, my love, love
Without you by my sideAll the happiness this money can't buy
Oh, I wanna spend all my time with you (spend all my time)
All the lovin' I've been missin' in my life
Oh, I wanna spend all my time with you, babe(Oh oh oh I) I feel this void in my heart
Broken in pieces my heart
Far too many times I've been hurt
Give it up on what I deserve
What I deserve is real love
All that I haven't deserved
No, I give everything to this love
Now, because I spend too muchAll the happiness this money can't buy
Oh, I wanna spend all my time with you (spend all my time)
All the lovin' I've been missin' in my life
Oh, I wanna spend all my time with you, babeSpending all of my time on other wrong things (on other wrong things)
Means nothing without you baby (nothing without you baby)
I guess I was wrong, baby
Longing for you now
Baby, I can end the finer things, all the diamond rings
But they ain't worth what is you and IAll the happiness this money can't buy
Oh, I wanna spend all my time with you
All the lovin' I've been missin' in my life
Oh, I wanna spend all my time with you, babeAll the happiness this money can't buy
Oh, I wanna spend all my time with you (spend all my time)
All the lovin' I've been missin' in my life
Oh, I wanna spend all my time with you, babe (wanna spend all my time with you)Oh, I
Oh oh oh (spend all my time)
Spend all my time with you, babe (spend all my time)
Spend all my time with you, babe
Spend all my time with you, babe
(Spend all my time with you)
Babe with you
