I think I found the love of my life
You, you, you, youTell me that this all is real
I think you're worth the life I live
You, you, you, you

Go put on my cologneCan't you see? Can't you see?
You got me loving you, baby

And I'll do anything you need
Just say you'll be forever my lady
You're driving me crazyAnd I will give you my heart

Love everything about ya,
I can't live without ya

I'm at yo mercy, girl you make the call 'Cause girl I'm loving you, loving you

And everything I'm saying gon leave me on that Oprah couch

I know she thinkin what this nigga talkin bout?

But the love for ya got me feelin invincible

Got me out here thinkin through

Run away all of my principles

And I mean it

And just the thought of seeing you

It's someone I'm stealin

This ain't a act, it's a fact

You know that I mean this

Got me trippin on this, nigga look away, you don't wanna see this

Don't wanna see this Girl you got me loving you, loving you

Lo-lo-loving you, baby

Lo-lo-loving you, baby You drive me crazy, insane

You're every thought in my brain

Girl you got me loving you, loving you

What else can I say? I met em only, yea you right

I'm on for my rocker

Oh yea

If she don't put it on me

Come between me and her and I'll...
Set yo ass on proper I'm whilin to lose everything
I'm whilin to lose everything for her
