

Come Hell or High Water

Cris Williamson

When I came to your house
I heard the backdoor slam
You was having fun
With your part time man
I know, you'll find time
To slip away
I'm gonna get my gun
That is what I say
I'm gonna even the score
Come hell or high water
She'll be rollin' the dice with everything I bought her
Come hell or high water
I'm gonna catch you, doin' what you hadn't oughta
Why do you treat me
Like a stone cold fool?
I know, you're out there
Sneakin' or doing the do
Come on now that ain't right

Come hell or high water
She'll be rollin' the dice with everything I bought her
Come hell or high water
I'm gonna catch you, doin' what you hadn't oughta
It doesn't matter what you do
I'm walkin' away from you
It doesn't matter what you say
I'm leavin' you baby, said, ?I'm leavin' today?
Come hell, hep, hon
It doesn't matter where you been
I'm walkin' away from you my friend
I'm telling you, I'm going, going, gone
Keep on slippin' and doggin' around
I know, I'll have my fun
Come hell or high water
She'll be rollin' the dice with everything I bought her
Come hell or high water
I'm gonna catch you, doin' what you hadn't oughta
