# Gulf Shore Road

## Hank Williams, Jr.

I want to live on Gulf Shore Road
And lighten up my heavy load
Make all my blues go away
Lookin' across Pelican BayI want to live on fresh seafood
And never be in a bad mood
I want to dance with you real slow
On Moonlight Beach on Gulf Shore RoadNot enough time now in the day
For people to ever find their way
Back to their heart and their homes
We're too busy talking on the phoneMy little girl just wants to play
In the sand and in the waves
And that's all we're gonna do, you know
Life is good on Gulf Shore RoadWish everyone could come on down
Jump in the water and mellow out
Don't even think about the news
Just bring shorts and tennis shoesCatch the fish and drink the wine
Stay here until it comes the time
For me to pass away and go
Lord, let it be like Gulf Shore Road
