

Rain

Barry Manilow

Gray clouds rollin' over my head
I can see a storm in the sky
All night long you're tossin' in bed
All night long I'm outta my head
It's rain, fallin' down from the sky
Kissin' my love goodbye
Rain fallin' down
I can't take the rain
Washin' my love away
I'm cryin' for yesterday
Rain fallin' down
Gray clouds rollin' over my head
I can see a storm in the sky
Don't know where this lovin' has led
Why can't there be sun instead of rain?
Fallin' down from the sky
Kissin' my love goodbye
Rain fallin' down
I can't take the rain
Washin' my love away
I'm cryin' for yesterday
Rain fallin' down
Darlin' you got to stop the rain
Only you can stop the rain
(Fallin' down)
Only you can do it
Darlin' you got to stop the rain
Only you can stop the rain
(Fallin' down)
Only you can stop this
(Rain) Everything is fallin' apart
And I don't think I can stand the rain anymore
No, no more, no more rain, no more rain
Stop the rain, stop the rain from fallin' down
I got to stop the rain from fallin' down
You and me babe
What we had was good
All I know we could have made it
I can't take this rain
Fallin' down from the sky
Kissin' my love goodbye
Rain fallin' down
Someone stop the rain
Washin' my love away

I'm cryin' for yesterday
Rain fallin' down Woman, you got to stop the rain
Only you can stop the rain
(Fallin' down)
Only you can do it
Darlin' you got to stop the rain
Only you can stop this rain
(Fallin' down)
Only you can do it
Baby you got to stop the rain
Only you can stop the rain
(Fallin' down)
Only you can help me
Baby you got to stop the rain
Only you can stop the rain
