Tomorrow

Niki & the Dove

Oh!
How do we own these grounds
But they are no longer mine
I have to find a way home
Hey you!You are all that I got
You keep me hanging on
I have to make it on my own now
Oh!All the night is young
And I hold to was all it took.
And I, I tie the laces round my wrist
For the last time meet me at that same place.Oh!
If tomorrow comes
I wanna waste my love
On you likeI'm ready to learn
What it takes to burn
I wanna let you show me
What it means to breath fire.I never knew what I want
I let my body talk
I was in a deep sleep.
And I, I tie the laces round my wrist
Oh for the last time meet me at that same place.If tomorrow comes
I wanna waste my love
On you likeI'm ready to learn
What it takes to burn
I wanna let you show me
What it means to breath fire.I get on coming back I couldn't help myselfOh!
If tomorrow comes
I wanna waste my love
On you like
I'm ready to learn
What it takes to burn
I wanna let you show me
What it means to breath fire.
