

# I Can Walk the Line (If It Ain't Too Straight)

[Joe Diffie](#)

You knew when you first met me  
I was a good time kind of guy  
You wanted me to change my ways  
I told you that I'd try Well I've gone from wild and crazy  
to takin' out the trash  
Girl it's time to compromise  
and give me a weekend pass Chorus:  
Well I can walk the line if it ain't too straight  
I'll come home but it might be late  
I ain't no devil but lord I ain't no saint  
Let out the rope, girl give me some slack  
this ol' dog will always come back  
You gotta bend the rules and give me a break  
Well I can walk the line if ain't too straight Well I'll love you forever  
If I can have a few days off  
I'll buy you anything you want  
If I can bear the cost If I ain't gottta punch no clock, girl,  
you can be the boss  
I'll be your mister perfect  
If you can overlook my flaws Chorus Yeah let out the rope girl,  
give me some slack this ol' dog will always come back  
Yeah I can walk the line if it ain't too straight.
