

# Pictures (Acoustic)

**Terry McDermott**

Fade, you fade out to night  
Taking me to that place each and every time  
The memories come like a voice in the air  
And every time I hear it I see you again  
Always out of reach cause you're only in my head  
Your feet standing on the dashboard  
Hearts racing on the back roads  
I got pictures of you in my  
Killing me slowly that you're not around  
I'm feeling like a ghost town  
I've got pictures of you in my mind  
I wonder where you are tonight  
And do the tears still fall  
Am I kept out of sight?  
When dreaming I run run run  
To be with you again  
But you're always out of reach  
Because it's only in my head  
My feet standing on the dashboard  
Hearts racing on the back roads  
I got pictures of you in my  
Killing me slowly that you're not around  
I'm feeling like a ghost town  
I got pictures of you in my mind  
How did I get feeling so low?  
The pictures fade but they own let me go  
My feet standing on the dashboard  
Hearts racing on the back roads  
I got pictures of you in my  
Killing me slowly that you're not around  
I'm feeling like a ghost town  
I got pictures of you in my mind
